Urmsg DA 96536. Ref G2 FEC rept TB 1229-51, subject: "Time Table for Communist Far East Operations," dated 12 Jun 51.

Ref rept based on routine CIC summary of info which in turn based on info rec from confidential informant in Tokyo evaluated "usually reliable." Confidential informant, one of hundreds utilized by CIC, described as former Japanese Government employee in China with wide circle Japanese friends who are also former China hands. Informant states he gleaned info contained in ref rept through contacts with friends who "still hear from their friends in China occasionally."

Emphasize that ref rept in no way connected operational espionage and was thus not rept under provisions G2 DA ltr, subject: "Reporting of Espionage Information," dated 1 Nov 50, SD 26160. Ref last sentence urmsg, ltr follows.
